Each quarter, Frontier holds a drawing for our young members who have made at least a \$5 deposit to their Frontier Kids' Club Account. This quarter, we're celebrating with Abigail Warner, who won \$50.

KEEP YOUR FAMILY HEALTHY AND ACTIVE THIS SEASON

- 1. Eat healthy:** Take advantage of summer's fruit and veggie bounty and eat the rainbow.
- 2. Drink water:** Water is a natural, healthy, and sugar-free way to stay hydrated during these warmer months.
- 3. Move more:** Kids need at least 60 minutes of physical activity per day, and adults need at least 30 minutes to stay healthy.
- 4. Be food safe:** Regularly washing hands with soap and water is important. It is best practice to separate surfaces while cooking to keep raw seafood, meat, and poultry away from fresh produce.
- 5. Protect from the sun:** Whether you're going for a short walk or spending a day at the beach, be smart and lather up with SPF 30 or higher.

COMMON SCAMS TO AVOID

Every year, thousands of people in the U.S. fall victim to fraud. Seniors are usually a large target for these scammers. Knowing how to spot fraud starts with being able to identify some of the most common scams.

- **Government Impersonation:** The scammer will contact you over the phone and say that they are a member of a government agency or law enforcement, calling about a situation. They may tell you that a car you have registered was found at a crime scene, and you may be arrested if you don't comply
- **Romance Scams:** Scammers will try to take advantage of people looking for love using online dating websites or social media. The scammer will create a fake persona, gain your trust, and then ask for money to fix a car or to make ends meet for the month
- **Grandparent Scams:** In an attempt to tug on heartstrings, the scammers may call over the phone pretending to be a family member or a law enforcement officer claiming that a grandchild is in trouble. The scammer will claim that they need money wired as soon as possible

Mistakes happen, and if you're worried you or someone you love is a target of fraud, you should contact your financial institution immediately. Taking steps to report fraud early minimizes the damage that these fraudsters have created.
